We look forward to having you as part of Mercy Maricopa Integrated Care’s (Mercy Maricopa) provider network! As the new Regional Behavioral Health Authority (RBHA) in Maricopa County, we wanted to provide you with important information about our credentialing process.

Mercy Maricopa will be utilizing the credentialing process developed by the Arizona Association of Health Plans (AzAHP). You will find 3 different credentialing forms, dependent upon your organization type, posted to the Forms section of Mercy Maricopa’s website, www.MercyMaricopa.org.

- **AZAHP Facility Application** – used for facility credentialing
- **AZAHP Organizational Data Form** – used for larger group and associated practitioner’s credentialing
- **AZAHP Practitioner Data Form** – used for individual practitioner credentialing

Most providers will complete the AZAHP Organizational Data Form, which will cover the group along with the practitioners. For all independent billers, direct practitioner credentialing will need to be completed.

The above forms are currently in the process of being updated with specific contact information for Mercy Maricopa. Please use the current forms posted to Mercy Maricopa’s website until the forms have been updated. As soon as the forms are updated, we will post them to the Mercy Maricopa website for your use.

**Once the applicable form has been completed, please fax to our secure fax number at 860-902-8370. Please include all supporting documentation with your fax.**

To allow sufficient time for processing these forms and complete credentialing by 4/1/14, we are requesting the forms be faxed no later than February 28, 2014.

Additional information regarding Mercy Maricopa Integrated Care and Mercy Maricopa Advantage Plans is available by accessing our website at www.MercyMaricopa.org.

Please contact Provider Relations at 866-796-5598 with any questions or concerns.
